Thirty Third Sunday in Ordinary Time

What Is Entrusted Us

The Gospel parable is about a man entrusting his servants with his property, and the point it makes concerns the need for fidelity in caring for what belongs to the master.

God our master has left us with the earth, not to do with it what we want but to care for it even as we live off of its abundant riches.

God created the land to support living things: What will happen when God returns to find so much land strip-mined, strip-cleared, eroded, and burdened with toxic waste?

God created the waters to support living things: What will happen when God returns to find the oceans and rivers polluted with our garbage and chemical by-products?

God created the air to support living things: What will happen when God returns to find smog and holes in the ozone?

God created plants and animals to live on this wonderful earth and revel in its beauty: What will happen when God returns to find so many of them driven to extinction by our destructive practices?

"Father of all that is good, keep us faithful in serving you." May we learn to care better for the Master's goods so that when the Master returns, we will hear those blessed words: "Well done! Come and share your master's joy."

Men and women bear a unique responsibility under God to safeguard the created world and by their creative labor even to enhance it.

Safeguarding creation requires us to live responsibly within it, rather than manage creation as though we are outside it.

The human family is charged with preserving the beauty, diversity and integrity of nature as well as fostering its productivity.

As we gather, let us remember and pray for . . .

"WHEN THE POOR ARE STARVING, CHRIST TOO HUNGERS"
EMPTY PLATES AT CHRISTMAS OR A NUTRITIOUS MEAL FOR NIAGARA CATHOLIC STUDENTS AND FAMILIES IN NEED. YOU CAN MAKE THE DIFFERENCE
Very soon, many will be enjoying a bountiful Christmas dinner with all of the traditional trimmings, while, hundreds of Niagara Catholic students and their families will have little food or perhaps nothing at all. Last Christmas, through the generosity of compassionate and caring supporters, the Niagara Foundation for Catholic Education provided $24,000 in grocery gift cards for students in need and their families as well as Christmas stockings containing gift cards, mittens, winter hats, and personal care items. This act of kindness gave hope, joy and dignity during a challenging time.
You can help repeat last year's Christmas miracle with any amount of financial assistance possible. Charity is not a sign of pity. It's a sign of love.
Please make cheques payable to Niagara Foundation for Catholic Education, 427 Rice Road, Welland, Ontario L3C 7C1. Donate online at www.nfce.org, Visa, MasterCard and American Express accepted. Receipts are issued for tax purposes.
