St Vincent de Paul

### St. Vincent de Paul

*September 27*

Saint Vincent is the founder of the Congregation of Missions (Vincentians) and co-founder of the Daughters of Charity. Born in France in 1580, the son of a peasant farmer, Vincent attended university and was ordained at 20. His first inclination was to earn a good income, but, appointed to the Queen's household, he came under the influence of Berulle (later Cardinal), and became a changed man. Vincent devoted the rest of his life to acts of charity. He organized groups to provide food and clothing for all who were poor: orphans, prostitutes, the sick, the disabled, the homeless. He established a congregation to preach and to train clergy. He collected large sums of money for his many projects and his influence spread from France across Europe. He died in 1660, was canonized in 1737 and is patron saint of charitable societies.
