

SYNOD 2021-2023

Journeying Together

Our Holy Father, Pope Francis, has invited the entire Church to embark on a journey together in a Synod. Synodality is the path and process of the Church in which we listen to each other, dialogue with one another and pray together. Through listening and discernment rooted in the Holy Spirit, we are called to contribute to a process by which the Church deepens her understanding of her mission and looks toward the future

The Separated and Divorced Healing Ministry of the Diocese of St. Catharines will be part of this process. We are inviting those who are/have been separated and divorced to participate in small group listening sessions. The focus of the sessions will be discussing several common questions in a reflective way through the lens of the separated and divorced and drawing on your own experiences.
